**Preliminary Review of Plans and Specifications on
[REDACTED] Facility**

25X1A6a

25X1A6a

1. In answer to the verbal request of Mr. [REDACTED], the plans and specification for the [REDACTED] Communications Facility have been reviewed. Specific comments are attached.

25X1A9a

2. Throughout the specification references are made to trade names, in some instances without the use of the "or equal" phraseology employed. It is also noted that the terms "contracting officer" and "Supervisor of Construction" are used interchangeably. [REDACTED]

25X1C

3. Comments on the mechanical or electrical portions of the work are considered as superficial because of the lack of information on which to base any real review of the proposed work.

4. The work done represents approximately 42% of the A & E requirement rather than the percentages indicated on the drawings and specifications.
